farnesene (EBC 7.12)	< 0,5
linalool (EBC 7.12; mg/100g)	8
linalool: α	0,6

Aromatic impressions of the raw hops

Aroma in the beer

Beer brewed with the variety Hallertauer Magnum features a harmonious bitterness of medium intensity. Its subtle aroma tends towards flowery and fruity notes in terms of smell; in terms of taste it also has hoppy notes.
